THE TIME WILL
SOON BE HERE

when spring opening will be in order. We do not want to know when that time comes. What we want is to have our trade so well started that we will see no change even for the better. To accomplish this we have taken the greatest care in the selection of our spring stock and are having our goods shipped earlier than usual to give the early buyers the best possible assortment to select from. A visit to our store will convince you. AS TO PRICES, we will leave that to you to be the judge, but let us say right here, that never before in the history of our buying have we been so well satisfied with the prices as compared with the quality of goods. Come and see if we have been deceived.

Our New Mattings are of the first goods to arrive. Samples are ready for inspection.

A MYSTERIOUS KILLING.

Body of Girl Pulled Out of Cistern at Dayton, Ohio.

Dayton, Ohio, Feb. 6.—Another murder mystery has been added to the long list which already shames this city. Late yesterday the body of a young woman was dragged out of a cistern in the rear of a vacant house. Her brother has identified her as Lizzie Fulhart, 18 years old of Vandalia, Ohio. She has always borne a spotless reputation at her home. She came to this city on January 29, to look for employment and was staying with her aunt, a Mrs. Deeters.

The body was badly decomposed and discolored and the features are almost unrecognizable. The face shows bruises and other evidences of violence are plainly visible. A burial cap enshrouded the upper part of the body.

If this murder occurred on the 28th of January it followed that of Mary Forschner only about a week. The police fear that both crimes were the work of a moral pervert who is still at large in the city and waiting for an opportunity to add another to his list of victims.

Albert Wilkie employed at Davis sewing machine factory, was arrested here last night on suspicion. Wilkie is the sweetheart of the murdered girl, but says he has not seen her since she came to the city on January 29.

Holmes and son, Merton Holmes of Montpelier, which were much enjoyed. The choir of the church also contributed to the musical part of the program. Besides being an enjoyable evening for all the meeting netted the sum of 23 dollars.
